BIG KIND SNOWMAN

TRAIL MAP

This festive season, we're spreading cheer with the Big Kind Snowman!

Children of Kings Heath have been hard at work creating their Big Kind Snowman, adding kind messages, poems, jokes or anything that makes them happy!

We've decorated Kings Heath with some of their snowmen for you to find!

Follow the map to find where the snowmen are located. There will be a number next to the snowman in the window. Write this number on the map! Once you've found all the snowmen, hand the map back into Kings Heath Library or New Life Baptist Church and you'll be entered into a draw to win some sweets!

(Winner announced in the New Year.)

If you can't see your snowman on the trail, don't worry! It has been distributed to local care homes to ensure we can bring a smile to as many people as possible!
