**Would you like to access the Kings Heath BID ShopWatch scheme?**

Are you interested in having access to the online Kings Heath Business Improvement District (BID) ShopWatch scheme? The scheme is free to use for all businesses who pay an annual Kings Heath BID levy.

This piece of anti-crime software is fully compliant with the new General Data Protection Regulations (GDPR).

The scheme contains photographs of all shoplifters and CCTV of wanted shoplifters, that have operated in Kings Heath shopping centre in the last six months. It also allows shops to store their banning orders online which are only accessible to their own staff.

Our ShopWatch scheme can be used on your mobile phone or computer. It is FREE to use. We just need you to fill in the form on the next page and we will send you an e-mail invite to join the Kings Heath ShopWatch scheme.

Simply fill in the form on the next page and return to me using the contact details at the top of this page.

regards,

Martin Mullaney
